

FEATURES

P31487

- Brass construction for durability and reliability
- Includes hex wrench for installation
- For use with 1/2" (13 mm) or 3/8" (10 mm) thick glass
- Purchase shower door components separately to create 1 of 5 different shower door handle configurations
- Unlacquered Brass (ULB): available only in North America and United Kingdom
- Complements the Central Park West collection

INSTALLATION NOTES

Install these products according to the instruction guide.

*These handles are designed to be paired with the Heavy Glass shower doors. Handle configuration installed back to back can be used on a hinged door only, not sliding shower doors. For custom installations, 1/2" (13 mm) diameter holes are required at the dimensions shown.
