## Installation

- Bracket or sidebar required for wall-mount installation
- Deck-mount holder required for deck-mount installation

## Installation Notes

*Install this product according to the installation instructions.*

For use with automatic compensating valves rated at 1.5 gal/min (5.7 l/min) or less.

Plumbing codes require an atmospheric vacuum breaker (such as Kohler Model K-9660) be installed in-line with handshowers. Please consult local plumbing codes.

OBC compliant when installed to the specific requirements of these regulations.
