### IMPORTANT ORDERING & INSTALLATION INFORMATION

- 3-sided integral tile flange to simplify installation. Must specify tile flange location(s) and left- or right-hand drain on order.
- Single threshold design.
- 3.5" drain opening pre-drilled.
- Dimensions provided represent the length and width of the bottom of the base without tile flange. See Installation Instructions.
- Add proper wet-bedding compound to fully support bottom of shower base. Optional factory installed Pre-Levelled Foam Base negates the need to wet bed when installing on a flat, level subfloor. See installation instructions.
- All bases are in accordance with CSA B45.5/IAPMO Z124 standard and compliant with ASTM C 1028-07 coefficient of friction. DoloMatte bases meet ANSI A137.1/A326.3 coefficient of friction and AS HB198:2014 pendulum slip resistance testing.

- Options and accessories may be packaged inside the box. Always check packaging before discarding.
- All product measurements are  $\pm 1/2"$ .
- Specifications and configurations are subject to change without notice.
- Measurements herein supersede all others published prior to publication date below.

See the Installation & Operation Manual for more details.
